College for Creative Studies, Detroit, MI
BFA, December 2014, Major: Illustration

SUMMARY

I have over seven years of experience as a web developer and designer, and I have built and managed websites for a wide variety of clients. I am proficient in a variety of web technologies and am comfortable managing multiple projects from start to finish.

EXPERIENCE

**February 2016 -
July 2022**

The Media Advantage, Lansing, MI**Web Development & Design**

- Designed and implemented content management systems for client websites.
- Designed and developed custom themes and plugins.
- Designed branding style guidelines for clients and created branding deliverables.
- Managed web servers and virtual servers.
- Designed HTML and MailChimp marketing templates.
- Regularly communicated with clients to create and maintain custom websites including back end theme and plugin development, as well as front end design, graphics, and copy.
- Trained clients on how to utilize their websites and features.
- Worked internally with team members to ensure projects were completed on time.

**August 2015 -
January 2016**

G and G Advertising, Birmingham, MI**Illustrator/Graphic Designer**

- Designed and edited brochures, posters, and vinyl graphics.
